Now is the Time

To Buy Trees
-AT-
BUFFALO NURSERY.

I AM NOW selling trees at the nur-
sery on 12 months time, without interest,
for \$12.50 per hundred; for Cash at \$10 per
hundred; and \$1.50 per dozen. Pear, cherry
and plum trees, 50 cents each; peach 20 cents
each; orange, 1st class, \$2.50 per 1,000
2nd class \$1.75 per 1,000; All other stock
about the same as previous seasons.

Don't forget that our eastern neighbors are
feeding apples to stock with good results,
while we have only a scanty supply for
family use. Also the eastern farmers have
their barrels of cider and an abundance of
the best apple vinegar, and here either is a
rarity with the majority of families. And
yet we must all cultivate more land than is
profitable and have often an abundance of
wheat and corn out lands that could be made
profitable if set in trees, besides improving
the condition of the land.

A. M. SHULTS,
Troy.
